

Application for Consideration as a SISCRA Board Member

One third (1/3) of the board members are elected by the membership at the November annual meeting for a term of three (3) years. In the event of any vacancies on the Board, the existing term may be filled by a vote of the Board.

The directors provide the labor and management for park operations. During the months of May through September, you should expect to work a minimum of three days a week, spending 5 to 6 hours each day doing park operations and maintenance. You will assist with the opening and closing of the park, and at other times may be required to perform some of the tasks listed below. No more than two board members can be elected that can only work on the weekends. For your labor, you will be supplied with a free campsite and a weekly dump of your holding tanks.

Please check the following spaces with what you are capable of and willing to do. If you qualify to serve on the Board, we need you.
